ROLLING HILLS COMMUNITY DEVELOPMENT DISTRICT

NOTICE OF PUBLIC HEARING TO CONSIDER THE ADOPTION OF THE FISCAL YEAR 2022/2023 BUDGET; NOTICE OF PUBLIC HEARING TO CONSIDER THE IMPOSITION OF OPERATIONS AND MAINTENANCE SPECIAL ASSESSMENTS, ADOPTION OF AN ASSESSMENT ROLL, AND THE LEVY, COLLECTION, AND ENFORCEMENT OF THE SAME; AND NOTICE OF REGULAR BOARD OF SUPERVISORS MEETING.

Upcoming Public Hearings and Regular Meeting

The Board of Supervisors ("Board") for the Rolling Hills Community Development District ("District") will hold the following two public hearings and a regular meeting:

DATE: August 16, 2022
TIME: 6:00 p.m.
LOCATION: Rolling Hills Amenity Center
3212 Bradley Creek Parkway
Green Cove Springs, Florida 32043

The first public hearing is being held pursuant to Chapter 190, Florida Statutes, to receive public comment and objections on the District's proposed budget ("Proposed Budget") for the fiscal year beginning October 1, 2022 and ending September 30, 2023 ("Fiscal Year 2022/2023"). The second public hearing is being held pursuant to Chapters 190 and 197, Florida Statutes, to consider the imposition of operations and maintenance special assessments ("O&M Assessments") upon the lands located within the District, to fund the Proposed Budget for Fiscal Year 2022/2023; to consider the adoption of an assessment roll and, to provide for the levy, collection, and enforcement of assessments. At the conclusion of the hearings, the Board will, by resolution, adopt a budget and levy O&M Assessments as finally approved by the Board. A Board meeting of the District will also be held where the Board may consider any other District business.

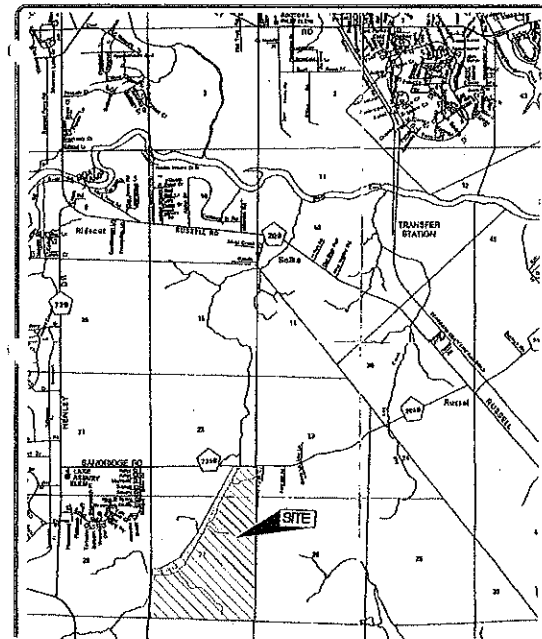

Description of Assessments

The District imposes O&M Assessments on benefited property within the District for the purpose of funding the District's general administrative, operations, and maintenance budget. A geographic depiction of the property potentially subject to the proposed O&M Assessments is identified in the map attached hereto. The table below shows the schedule of the proposed O&M Assessments, which are subject to change at the hearing:

Land Use	Total # of Units / Acres	EAU Factor	Current Annual O&M	Proposed O&M Assessment (including collection costs / early payment discounts)	Change in Annual O&M
Single Family	761 Units	1	\$1,092.90	\$1,392.90	\$300.00

The proposed O&M Assessments as stated include collection costs and/or early payment discounts, which Clay County ("County") may impose on assessments that are collected on the County tax bill. Moreover, pursuant to Section 197.3632(4), Florida Statutes, the lien amount shall serve as the "maximum rate" authorized by law for O&M Assessments, such that no assessment hearing shall be held or notice provided in future years unless the assessments are proposed to be increased or another criterion within Section 197.3632(4), Florida Statutes, is met. Note that the O&M Assessments do not include any debt service assessments previously levied by the District and due to be collected for Fiscal Year 2022/2023.

For Fiscal Year 2022/2023, the District intends to have the County tax collector collect the assessments imposed on certain developed property. It is important to pay your assessment because failure to pay will cause a tax certificate to be issued against the property which may result in loss of title, or for direct billed assessments, may result in a foreclosure action, which also may result in a loss of title. The District's decision to collect assessments on the tax roll or by direct billing does not preclude the District from later electing to collect those or other assessments in a different manner at a future time.

David Church	Supervisor
Nate Riggs	Supervisor

Also present were:

Marilee Giles	District Manager
Katie Buchanan	District Counsel
Keith Hadden	District Engineer
Freddie Oca	Riverside Management
Joe Schofield	Alliant Engineer
Several Residents	

The following is a summary of the actions taken at the June 14, 2022 meeting. An audio copy of the proceedings can be obtained by contacting the District Manager.

FIRST ORDER OF BUSINESS

Roll Call

Ms. Giles called the meeting to order at 6:03 p.m. and called the roll.

SECOND ORDER OF BUSINESS

Audience Comments

Mr. Rhein stated Florida Statute 190.006(5) while a majority of members constitute a quorum, action taken by the district shall be upon a vote of the majority of the members present. I have 11 proxies for your review. The June 15th time deadline was for the district to get you the proposed budget, not for us to approve the budget. The email to board members of May 20th presented you with an option to charge the developer for the deficits. The board has the authority to use Florida Statutes 190.011(5) to adopt administrative rules and resolutions with respect to any

projects of the district. Article 7 section 2 titled declarant's responsibility for deficits. I hope the board will take a substantial consideration for this option. Since we don't have a deadline we can create a special meeting if need to for more time for budget approval.

Ms. Buchanan stated I want to make a couple clarifications for the benefit of the room as a whole. It is important that we remember that the HOA and the CDD are separate entities. In this particular case, only the five board members are able to vote. This is not a vote by the community it is similar to a county commission.

Mr. Rhein stated not according to 190.006(5).

Ms. Buchanan stated I disagree with this and I will also tell you that our firm represents more than 200 community development districts and we have been doing this for 40 years. I want you to have questions, I appreciate your interest, but I don't think it is okay for you to misadvise the audience on things. I work with this every day and this is like a city commission, only the elected officials vote here.

The balance of the comments are summarized:

Being penalized by what happened in the past, unable to pay increase, request that all emails from the board and community talking about the CDD be put on the website, fixed income unable to pay increased assessments, new to CDDs whose interest is the board looking at, increased fees, disrespect at the pool, pool, security and disrespectful residents or non-residents, would like to see changes in security system, the key system, the gate, proposes a picture ID in place of the current system, Riverside Management contract, are there other bids for renewal of contracts, when something is on the agenda during audience comments you need to address it at that time, explain how the process will work with Riverside, why the builders that started the CDD are no longer responsible and it falls back on everybody else, I understand the original developer went bankrupt and left the deficit to the next community developer they absorbed the debt so why didn't they build the reserves, as a board have you exhausted all measures to figure out how to get capital from the state or the government rather than passing it on to us when it was not our fault when the developer was operating at a deficit, who here today is the lawyer representing the CDD or HOA, who represents us, I think there is an alternative method for funding these ideas by getting a loan or a bond, disagree with getting a loan or bond, charge the builders, get income from cellphone tower, capital reserve study was faulty, pool replacement went from \$199,000 to \$300,000, splash

pool \$85,000. \$9,000 for flowers at the entrance is ridiculous, with the amount of space in the amenity center, can the community fund raise to offset these costs, Does the money for RMS include the lifeguards and janitorial, explain things, the trees need to be lifted so trucks can get through, convert a tennis court to a basketball court, non-resident use of the pool, outrageous pool quote look at other options instead of marcite, higher fence to keep the non-resident kids out of the pool area, pool resurfacing costs a lot and Clay High uses the pool do they compensate the district for that use.

Ms. Buchanan stated if the board would like I can go through a couple of things that were hit on. Given the number of new people in the audience it might be helpful for them to understand.

I am going to start at the beginning because I think it is important to know, this district was put into place in 2006 so even though you may not have lived here for 16 years, it has been here for 16 years, the pool was put in shortly after, so it was probably 2006/2007. It is unfortunately, an older pool and these are facilities that have been around for close to 15 years now. The community did not thrive for 15 years. As someone mentioned, the initial developer, who also did Eagle Landing, couldn't sustain the project and sold it to an investor from California. That investor owned all the land within the community and then appointed certain people to the board that were in the industry. Almost all those people have rotated off now and four of your five board members live here. They were appointed as resident representatives of the district. The developer from California while he held the property every piece of property he owned he paid assessments just like you pay assessments so they always contributed to the operation and maintenance and the debt.

There are two parts to your assessment, it shows up as one line on your tax bill and most of you probably pay a tax bill through your mortgages. The two components are the debt, which is a 30-year term probably started in 2006 but depending on which section of the community you live in it could have started later. There is O&M, which is what it costs to maintain and operate these facilities, that is the budget we are talking about tonight, that is a perpetual budget it will never be paid off. As long as these facilities are running there has to be money going towards the operation and maintenance of it. The debt has an end date, the O&M does not. When your salesman said the CDD assessments are almost done, salesmen over promise but they didn't explain that only the debt will be paid off, the O&M is going to be here forever.

The CDD was responsible for the issuance of bonds as one of the gentlemen explained was an option; we did that initially and we used that money to fund the roads, the water, sewer, stormwater system and all of the amenities. The cost of the bonds was not sufficient to cover the cost of the improvements and that is the reason the first developer left, because he couldn't finish the improvements for the community. Every subsequent bond issuance has contributed more money towards the infrastructure, they are trying to issue bonds for the community, that money is going towards infrastructure that is new but not necessarily infrastructure that you see so it is going into stormwater pipes and more water and sewer pipes and roads and paving; it is not coming to the amenity because the amenity was put in place close to 15 years ago. That is why the district is talking about trying to figure out a way to fund the pool repairs. We paid for these improvements, we will continue to pay for the installation of these improvements, but we try to turn over the water, sewer and roads to the county, so they are responsible for the long-term operation and maintenance for those particular improvements. The county won't take the rec and they won't take the stormwater systems or landscaping. Those are the district's improvements and they will always stay with the district.

Ms. Buchanan outlined the platting process, the public records request process and stated the district is not like an HOA and we don't have to by law have a reserve fund, that being said, it is responsible to have a reserve fund because you have improvements that are going to require long term maintenance. We did pay for a reserve study, that are typically under \$5,000, so it is not something that there is going to be significant legal recourse for because it is a planning tool. In the last 18-months construction costs are probably 40% higher than they were. The board uses the study as a planning tool and they are balancing that against raising assessments every year and I think the board has made a decision to not increase assessments every year, although that may mean we are not meeting our reserve desires.

Ms. Giles explained in detail the purpose of the capital reserve study as a plan to set aside certain amounts of money so that when repairs are needed the money will be in place and that it should be redone every five years. The board has also asked GMS and Katie Buchanan and staff to look at other options and they looked at bonds but that wasn't a good option for this district. Once the board votes, the vote is final.

Ms. Buchanan stated I want to walk through the board process. At this point four of the five seats are resident seats and that means they have to live in the community to serve on this

board. Per statute the most they get compensated is \$200 per meeting so this is close to volunteer work. The sunshine law in Florida prohibits board members from having conversations about CDD business outside of this kind of meeting. They can talk to each other about other things but if a decision on something is going to be made by the board, there really shouldn't be any outside communication. If you have a public records request, submit it to Marilee and she will distribute it to the person who would have the right records.

A resident asked why aren't emails in public records?

Ms. Buchanan stated when we say public records, that means they exist and they are available upon request. The website is abbreviated in the information that it provides, it has budgets, agenda packages, meeting minutes, and a little bit of background information about the district as well as the district's assessments. The reason we do that is because that is what the statute requires we put on the website. We also limit the information on the website because of cost issues. The Americans with Disabilities Act has a specific finding that because we are a government any information we put on the website has to be available to the visually impaired, that means the CDD has to pay what is a costly process to upload documents to convert them from a PDF to something that a visually impaired person can run it through a program and have it read out loud to them. That is the explanation as to why every piece of information isn't available on the website. If there is something that you want it is available, you make the request and we will assemble it and provide it to you if it exists.

I want to go through the process with the agenda. If you look on the website seven days prior to a meeting you are going to find the agenda package for the next board meeting available for your review. That means you get to anticipate and understand what the board is going to be discussing so that when you come to the meeting you can have informed comment in advance of them making a decision because at the end of the day this is your community, and these people are here to represent the community's interests. In November there will be seats that are going to be on your ballot, that means that just like how you vote for city, county, government officials, state and national officials, the CDD will have seats on your ballot. If you were interested in serving on the board you would go to the supervisor of elections office and sign up for it, then your name will appear and only the community members will be able to vote. It is truly the community's choice. The seats rotate every four years on alternating cycles and every two years there will be two or three seats up for election. There are three seats up this year.

I want to explain the budget process so you understand. This is the proposed budget, it isn't the final budget we are adopting tonight. What we are doing is trying to establish a max so that we know that the assessments will not be higher than the amount approved tonight. When you come back in August and the board adopts the final budget it can be changed from what the board approves tonight so long as the assessments are not increased higher than disclosed tonight. Line items can be switched or the overall budget and assessment amounts can be reduced from what is proposed tonight. This is the night we talk about and shape what we think is the right answer for the proposed budget and then you have two months to review it, provide comments to Marilee or the board members and we will have a public hearing where we will open it up and the audience can address issues they have with the budget at the August meeting. The board then has the opportunity to further adjust it taking into account any comments they heard that struck a cord with them.

THIRD ORDER OF BUSINESS**Approval of the Minutes of the April 12, 2022 Meeting and May 5, 2022 Special Meeting**

On MOTION by Ms. Jordan seconded by Mr. Church with all in favor the minutes of the April 12, 2022 Meeting and May 5, 2022 special meeting were approved as presented.

FOURTH ORDER OF BUSINESS**Series 2020 Project****A. Update Regarding Series 2020 Project**

Mr. Hadden stated for the first phase of the 139 lots last week we finished the pavement, all the water lines are in and tested, all the gravity sewer lines are in and tested, storm is in and tested and the pond is finished, the roads are now finished. Clay Electric will start tomorrow pulling the wires through the conduits and they will be finished by next week. They are about halfway through with the lift station. We are hoping to have all that work finished by the end of this month.

B. Ratification of Requisitions 79-83

On MOTION by Ms. Jordan seconded by Mr. Miller with all in favor requisitions 79-83 were ratified.

FIFTH ORDER OF BUSINESS**Series 2022 Project****A. Update Regarding Series 2022 Project**

Mr. Schofield stated this relates to the 247 lot single phase portion of active development south of Bradley Creek from the 2022 bonds that were reviewed and approved for infrastructure installed last month, most of that being materials.

Two of the three ponds are complete, sanitary sewer is about halfway complete and installed, stormwater was started last week. Ponds and lots are largely rough graded and they are on or ahead of schedule.

B. Ratification of Requisitions 009-30

On MOTION by Ms. Jordan seconded by Mr. Church with all in favor requisitions 009-030 were ratified.

SIXTH ORDER OF BUSINESS**Consideration of Proposal from Riverside Management Services, Inc.**

Ms. Giles stated this is not a new contract, it is the existing contract, this is a proposal for an increase in their services and to add a line for a facility assistant here at the amenity center. At this time Freddie works six days a week and this is to provide someone to help him. It is an 8% increase on each line and the facility assistant is added.

Mr. Oca stated we have to have another adult here, particularly on the pool deck. I had teenage girls and they have gotten bashed by the residents and kids. Two of them called me on the phone crying because of residents. Two board members witnessed two different incidents on the pool deck.

On MOTION by Mr. Riggs seconded by Ms. Jordan with all in favor the proposal from Riverside Management for fiscal year 2023 was approved.

SEVENTH ORDER OF BUSINESS**Consideration of Resolution 2022-09
Approving the Proposed Budget for Fiscal
Year 2023 and Setting a Public hearing to
Adopt (August 16, 2022)**

Ms. Giles reviewed the proposed fiscal year 2023 budget that included administrative, field and amenity center, the capital reserve fund and debt service funds and the proposed FY23 assessments.

Ms. Giles stated we sent out a request for proposals to 10 12 pool companies and received four or five back and the repairs range from \$250,000 to \$385,000. The pool does not need this repair until 2024 according to Jay and Freddie who have many years of experience with re-marciting a pool, and making small repairs to the pools. The supervisors asked what would it be if we did a one-time special assessment to every resident to cover the high end of that pool repair and that is what it would be, \$538 per household. The supervisors also requested that we look at instead of doing a one-time special assessment to run some scenarios with the capital reserve inputs right now, the first scenario is don't do the one-time special assessment, but instead increase the \$75,000 capital reserve input to just \$100,000 capital reserve input and if you change your capital reserve input from \$75,000 to \$100,000 those would be an overall increase in assessments of \$137 per household and will have in the capital reserve at the end of 2023 \$237,000 set aside for repairs and replacements. The second scenario the supervisors asked us to run was doing away with the one-time special assessment and increase the capital reserve contribution instead of \$75,000, \$150,000 into the capital reserve and that would be an increase per household of \$207 and would have \$287,000 in your capital reserve fund to go to towards the pool repair at the end of 2023. In 2024 you would repeat with another \$150,000 and that would take you up over \$400,000 at the end of 2024, which would give you enough money in your capital reserves to do the pool repair that is needed. I don't know what the cost of that pool repair will be in 2024, I don't know if inflation is going to go up or down but that course of action instead of the one-time special assessment and changing the capital reserve contribution to \$150,000 gets you closer. Jay and Freddie think you will make it to the end of 2024. Those are the courses of action that the accountant and I have run for you.

Ms. Buchanan stated in a nutshell you are looking at having option 1, which is all of your money upfront and a one-time \$585 assessment increase.

Ms. Giles stated option 2 is changing the capital reserve contribution from \$75,000 to either \$100,000 or \$150,000.

Ms. Buchanan stated I want you to understand that it is an \$11 per month increase for two years or \$17 per month increase for two years. Our lowest bid was \$250,000 and we don't know

where pricing is going to go and we may want to have that little extra money \$6 a month difference might be worth it to be able to buffer the cost of the pool repair.

Ms. Jordan stated four years ago this board did not have residents on it and did not have reserves. David Church and I joined the board and we wanted to put money aside and started the reserve fund. We have to increase that to cover costs and that is what we are trying to do.

Ms. Giles stated the board had asked us to check into a bond and Freddie and Jay gave us a list of items that included that pool repair, playground equipment, irrigation, splash pad repair, a list of immediate gratification that came in at \$1 million and we presented that to the bank to see if we could have another bond and the answer was no, we already have numerous bonds against Rolling Hills. Your board asked us to consider all the avenues. How much money do you want to put in the capital reserve to build the funds to make that repair, to add those playgrounds, add irrigation to the back. Do you want to change it to \$100,000, \$150,000 they may say put \$200,000 in the capital reserve so we can get things done faster. They are trying to take into consideration that we all have an income that we have to live to they are taking into consideration everyone's income and what is best for the residents. I think I'm reading the board that they don't want to do the one-time special assessment. We are putting money into the capital reserve and prioritizing those repairs and replacements. We don't have enough money in there right now.

On MOTION by Mr. Miller seconded by Mr. Riggs with all in favor Resolution 2022-09 approving the proposed fiscal year 2023 budget as amended with an assessment of \$1,392 and setting a public hearing for adoption for August 16, 2022 was approved.

Amenity Policy Updates

Ms. Jordan stated we have an increased number of issues at the pool. We need to revise the policies, residents need to know their access is a privilege and not a right and they can lose it if they are disrespectful to our staff. We have lost three lifeguards because of abuse by residents.

Mr. Riggs stated issues we are having at the pool are: fighting between residents, mostly about the rules. What we are about to go over is new or things that is being cut out. Kids from other neighborhoods loitering outside the gate waiting for someone to leave to come in or a resident will let them in that leads to fighting.

Ms. Giles stated every lifeguard has quit over the last two weeks, therefore the slide is closed.

Mr. Oca stated two of the lifeguards that quit are residents. They quit because of behavior at the pool.

Ms. Giles stated just to clarify, we do not have night swim.

Mr. Oca stated the kids that work here live here and they don't want to work here. At this point I would not hire my kids to work here. A lot of kids who live here bring in kids from other areas and that is the main issue. The new rules will say no one under 18 can have guests.

Ms. Giles stated Jay and district counsel made some recommended changes to the current policy. When rules are broken at the amenity center whether it is the gym, the pool, whatever it is, we have the option of a suspension. When a resident breaks a rule we can suspend them and that is something that Rolling Hills has never done, it is in your policy now as an option and it will be a shock the first time this board suspends a resident but if they break the rules, Freddie will email district counsel and me and that resident will be suspended and can come to the next meeting for a hearing and the board will listen to the resident and make a decision as to how long to suspend them. If they are suspended and the resident chooses to ignore that suspension you trespass them with the Clay County Sheriff's Office. It is not a threat to the residents but a tool that may help with some of these issues we have particularly around the pool deck.

Ms. Buchanan reviewed the present suspension provisions and the proposed suspension provisions that included an immediate suspension of amenity facilities for certain actions.

On MOTION by Ms. Jordan seconded by Mr. Miller with all in favor the amended suspension policy to include an immediate suspension of amenity privileges was approved.

On MOTION by Ms. Jordan seconded by Mr. Miller with all in favor the proposed amenity policies to include a person under 18 may not bring a guest to the pool were approved in substantial form and Mr. Riggs was authorized to work with district counsel to review the final draft to be presented at the August meeting.

1. Stormwater Needs Analysis (due June 30, 2022)

Mr. Hadden stated this is a 20-year projection of your costs for the stormwater system. You only own the ponds you don't own pipes or the roads. We have not had problems with failure of any of your ponds. Basically, you are spending about \$25,000 a year to maintain your ponds, most of that is mowing pond banks. I have put in a 10% escalator per year on the price. This report will be provided to the Clay County Board of Commissioners and they will include it with their countywide study and submit one report to the State of Florida.

Ms. Buchanan stated this is a study that is required by the state for the first time this year, we have to repeat this study every five years. It is submitted in an effort for the state to ensure that all local governments within the State of Florida have sufficient stormwater capacity.

On MOTION by Ms. Jordan seconded by Mr. Church with all in favor the stormwater needs analysis was accepted.

2. Public Facilities Report

C. Manager – Report on the Number of Registered Voters 773

A copy of the letter from the supervisor of elections indicating there are 773 registered voters residing within the district was included in the agenda package.

FORM OF REQUISITION FOR SERIES 2022 PROJECT

The undersigned, an Authorized Officer of Rolling Hills Community Development District (the "District") hereby submits the following requisition for disbursement under and pursuant to the terms of the Master Trust Indenture from the District to U.S. Bank Trust Company, National Association, Orlando, Florida, as trustee (the "Trustee"), dated as of November 1, 2006 (the "Master Indenture"), as supplemented by the Sixth Supplemental Trust Indenture from the District to the Trustee, dated as of February 1, 2022 (the "Supplemental Indenture" and together with the Master Indenture, the "Indenture") (all capitalized terms used herein shall have the meaning ascribed to such term in the Indenture):

- (A) Requisition Number: 034
- (B) Name of Payee: American Precast Structures, LLC
- (C) Amount Payable: \$17,774.00
- (D) Purpose for which paid or incurred (refer also to specific contract if amount is due and payable pursuant to a contract involving progress payments or state Costs of Issuance, if applicable): invoice 3549 for storm structures and appurtenances.
- (E) Fund or Account and subaccount, if any, from which disbursement to be made: Series 2022 bonds.

The undersigned hereby certifies that:

☒ obligations in the stated amount set forth above have been incurred by the District, that each disbursement set forth above is a proper charge against the Series 2022 Acquisition and Construction Account referenced above, that each disbursement set forth above was incurred in connection with the acquisition and/or construction of the Series 2022 Project and each represents a Cost of the Series 2022 Project, and has not previously been paid out of such Account;

OR

☐ this requisition is for costs of issuance payable from the Series 2022 Costs of Issuance Account that has not previously been paid out of such Account.

The undersigned hereby further certifies that there has not been filed with or served upon the District notice of any lien, right to lien, or attachment upon, or claim affecting the right to receive payment of, any of the moneys payable to the Payee set forth above, which has not been released or will not be released simultaneously with the payment hereof.

The undersigned hereby further certifies that such requisition contains no item representing payment on account of any retained percentage which the District is at the date of such certificate entitled to retain.

Originals or copies of the invoice(s) from the vendor of the property acquired or services rendered with respect to which disbursement is hereby requested are on file with the District.

FORM OF REQUISITION FOR SERIES 2022 PROJECT

The undersigned, an Authorized Officer of Rolling Hills Community Development District (the "District") hereby submits the following requisition for disbursement under and pursuant to the terms of the Master Trust Indenture from the District to U.S. Bank Trust Company, National Association, Orlando, Florida, as trustee (the "Trustee"), dated as of November 1, 2006 (the "Master Indenture"), as supplemented by the Sixth Supplemental Trust Indenture from the District to the Trustee, dated as of February 1, 2022 (the "Supplemental Indenture" and together with the Master Indenture, the "Indenture") (all capitalized terms used herein shall have the meaning ascribed to such term in the Indenture):

- (A) Requisition Number: 041
- (B) Name of Payee: Fortiline, Inc.
- (C) Amount Payable: \$3,275.36
- (D) Purpose for which paid or incurred (refer also to specific contract if amount is due and payable pursuant to a contract involving progress payments or state Costs of Issuance, if applicable): invoices 5737034 and 5738567 for water/wastewater/storm materials.
- (E) Fund or Account and subaccount, if any, from which disbursement to be made: Series 2022 bonds.

The undersigned hereby certifies that:

☒ obligations in the stated amount set forth above have been incurred by the District, that each disbursement set forth above is a proper charge against the Series 2022 Acquisition and Construction Account referenced above, that each disbursement set forth above was incurred in connection with the acquisition and/or construction of the Series 2022 Project and each represents a Cost of the Series 2022 Project, and has not previously been paid out of such Account;

OR

☐ this requisition is for costs of issuance payable from the Series 2022 Costs of Issuance Account that has not previously been paid out of such Account.

The undersigned hereby further certifies that there has not been filed with or served upon the District notice of any lien, right to lien, or attachment upon, or claim affecting the right to receive payment of, any of the moneys payable to the Payee set forth above, which has not been released or will not be released simultaneously with the payment hereof.

The undersigned hereby further certifies that such requisition contains no item representing payment on account of any retained percentage which the District is at the date of such certificate entitled to retain.

Originals or copies of the invoice(s) from the vendor of the property acquired or services rendered with respect to which disbursement is hereby requested are on file with the District.

INDEPENDENT AUDITOR'S REPORT

To the Board of Supervisors
Rolling Hills Community Development District
Clay County, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities and each major fund of Rolling Hills Community Development District, Clay County, Florida ("District") as of and for the fiscal year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of the District as of September 30, 2021, and the respective changes in financial position thereof for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the District's basic financial statements. The information for compliance with FL Statute 218.39 (3) (c) is not a required part of the basic financial statements. The information for compliance with FL Statute 218.39 (3) (c) has not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated August 9, 2022, on our consideration of the District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control over financial reporting and compliance.

August 9, 2022

MANAGEMENT'S DISCUSSION AND ANALYSIS

Our discussion and analysis of Rolling Hills Community Development District, Clay County, Florida ("District") provides a narrative overview of the District's financial activities for the fiscal year ended September 30, 2021. Please read it in conjunction with the District's Independent Auditor's Report, basic financial statements, accompanying notes and supplementary information to the basic financial statements.

FINANCIAL HIGHLIGHTS

- The assets plus deferred outflows of resources of the District exceeded its liabilities at the close of the most recent fiscal year resulting in a net position balance of \$4,114,614.
- The change in the District's total net position in comparison with the prior fiscal year was (\$191,647), a decrease. The key components of the District's net position and change in net position are reflected in the table in the government-wide financial analysis section.
- At September 30, 2021, the District's governmental funds reported combined ending fund balances of \$1,830,929, an increase of \$1,161,610 in comparison with the prior fiscal year. A portion of fund balance is restricted for debt service and capital projects, nonspendable for prepaids and deposits and the remainder is unassigned fund balance which is available for spending at the District's discretion.

OVERVIEW OF FINANCIAL STATEMENTS

This discussion and analysis are intended to serve as the introduction to the District's basic financial statements. The District's basic financial statements are comprised of three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

Government-Wide Financial Statements

The government-wide financial statements are designed to provide readers with a broad overview of the District's finances, in a manner similar to a private-sector business.

The statement of net position presents information on all the District's assets, deferred outflows of resources, liabilities, and deferred inflows of resources with the residual amount being reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the District is improving or deteriorating.

The statement of activities presents information showing how the government's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods.

The government-wide financial statements include all governmental activities that are principally supported by special assessments. The District does not have any business-type activities. The governmental activities of the District include the general government (management), recreation and maintenance functions.

Fund Financial Statements

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The District, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. The District has one fund category: governmental funds.

OVERVIEW OF FINANCIAL STATEMENTS (Continued)

Governmental Funds

Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a District's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the District's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

The District maintains three governmental funds for external reporting. Information is presented separately in the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances for the general fund, debt service fund and capital projects fund which are considered major funds.

The District adopts an annual appropriated budget for its general and debt service funds. A budgetary comparison schedule has been provided for the general fund to demonstrate compliance with the budget.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

GOVERNMENT-WIDE FINANCIAL ANALYSIS

As noted earlier, net position may serve over time as a useful indicator of an entity's financial position. In the case of the District, assets plus deferred outflow of resources exceeded liabilities at the close of the most recent fiscal year.

Key components of the District's net position are reflected in the following table:

NET POSITION SEPTEMBER 30,		
	2021	2020
Assets, excluding capital assets	\$ 2,173,129	\$ 691,127
Capital assets, net of depreciation	12,383,857	10,724,416
Total assets	14,556,986	11,415,543
Deferred outflows of resources	32,387	34,476
Liabilities, excluding long-term liabilities	566,082	508,758
Long-term liabilities	9,908,677	6,635,000
Total liabilities	10,474,759	7,143,758
Net Position		
Net investment in capital assets	3,353,512	4,078,809
Restricted	475,347	27,530
Unrestricted	285,755	199,922
Total net position	\$ 4,114,614	\$ 4,306,261

GOVERNMENT-WIDE FINANCIAL ANALYSIS (Continued)

The District's net position reflects its investment in capital assets (e.g. land, land improvements, and infrastructure) less any related debt used to acquire those assets that is still outstanding. These assets are used to provide services to residents; consequently, these assets are not available for future spending. Although the District's investment in capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

The restricted portion of the District's net position represents resources that are subject to external restrictions on how they may be used. The remaining balance of unrestricted net position may be used to meet the District's other obligations.

The District's net position decreased during the most recent fiscal year. The majority of the decrease represents the extent to which the cost of operations and depreciation expense exceeded ongoing program revenues.

Key elements of the change in net position are reflected in the following table:

CHANGES IN NET POSITION FOR THE FISCAL YEAR ENDED SEPTEMBER 30,		
	2021	2020
Revenues:		
Program revenues		
Charges for services	\$ 1,440,267	\$ 1,274,199

Change in net position	<u>(191,647)</u>	<u>(133,295)</u>
Net position - beginning	<u>4,306,261</u>	<u>4,439,556</u>
Net position - ending	<u>\$ 4,114,614</u>	<u>\$ 4,306,261</u>

As noted above and in the statement of activities, the cost of all governmental activities during the fiscal year ended September 30, 2021 was \$1,635,206. The majority of the costs of the District's activities were paid by program revenues. Program revenues are comprised primarily of assessments. Revenues increased over the prior year due to an increase in assessment revenue in the current year. In total, expenses increased over the prior year as a result of the bond issue cost.

GENERAL BUDGETING HIGHLIGHTS

An operating budget was adopted and maintained by the governing board for the District pursuant to the requirements of Florida Statutes. The budget is adopted using the same basis of accounting that is used in preparation of the fund financial statements. The legal level of budgetary control, the level at which expenditures may not exceed budget, is in the aggregate. Any budget amendments that increase the aggregate budgeted appropriations must be approved by the Board of Supervisors. Actual general fund expenditures did not exceed appropriations for the fiscal year ended September 30, 2021.

CAPITAL ASSETS AND DEBT ADMINISTRATION

Capital Assets

At September 30, 2021, the District had \$17,941,143 invested in capital assets for its governmental activities. In the government-wide financial statements depreciation of \$5,557,286 has been taken, which resulted in a net book value of \$12,383,857. More detailed information about the District's capital assets is presented in the notes of the financial statements.

Capital Debt

At September 30, 2021, the District had \$9,995,000 in Bonds outstanding. More detailed information about the District's capital debt is presented in the notes of the financial statements.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS

Subsequent to fiscal year end, the District issued \$10,870,000 of Series 2022 Bonds, consisting of multiple term bonds with due dates ranging from May 1, 2027 - May 1, 2052 and fixed interest rates ranging from 3.125% to 4%. The Bonds were issued to redeem a portion of the Series 2015A-3 and to finance the acquisition and construction of certain improvements for the benefit of the District.

CONTACTING THE DISTRICT'S FINANCIAL MANAGEMENT

This financial report is designed to provide our citizens, land owners, customers, investors and creditors with a general overview of the District's finances and to demonstrate the District's accountability for the financial resources it manages and the stewardship of the facilities it maintains. Fund balance - governmental funds \$ 1,830,929

Amounts reported for governmental activities in the statement of net position are different because:

Capital assets used in governmental activities are not financial resources and, therefore, are not reported as assets in the governmental funds. The statement of net position includes those capital assets, net of any accumulated depreciation, in the net position of the government as a whole.

Cost of capital assets	17,941,143	
Accumulated depreciation	<u>(5,557,286)</u>	12,383,857

Deferred charges on refunding of long-term debt are shown as deferred outflows/inflows of resources in the government-wide financial statements; however, this amount is expensed in the governmental fund financial statements.

32,387

Liabilities not due and payable from current available resources are not reported as liabilities in the governmental fund statements. All liabilities, both current and long-term, are reported in the government-wide financial statements.

**ROLLING HILLS COMMUNITY DEVELOPMENT DISTRICT
CLAY COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS**

NOTE 1 – NATURE OF ORGANIZATION AND REPORTING ENTITY

Rolling Hills Community Development District ("District") was established by Ordinance 2006-9 of the Board of County Commissioners of Clay County, pursuant to the Uniform Community Development District Act of 1980, and otherwise known as Chapter 190, Florida Statutes. The Act provides among other things, the power to manage basic services for community development, power to borrow money and issue Bonds, and to levy and assess non-ad valorem assessments for the financing and delivery of capital infrastructure.

The District was established for the purposes of financing and managing the acquisition, construction, maintenance and operation of a portion of the infrastructure necessary for community development within the District.

The District is governed by the Board of Supervisors ("Board"), which is composed of five members. The Supervisors are elected by the qualified electors of the District. The Board of Supervisors of the District exercise all powers granted to the District pursuant to Chapter 190, Florida Statutes.

The Board has the responsibility for:

1. Assessing and levying assessments.
2. Approving budgets.
3. Exercising control over facilities and properties.
4. Controlling the use of funds generated by the District.
5. Approving the hiring and firing of key personnel.
6. Financing improvements.

The financial statements were prepared in accordance with Governmental Accounting Standards Board ("GASB") Statements. Under the provisions of those standards, the financial reporting entity consists of the primary government, organizations for which the District is considered to be financially accountable and other organizations for which the nature and significance of their relationship with the District are such that, if excluded, the financial statements of the District would be considered incomplete or misleading. There are no entities considered to be component units of the District; therefore, the financial statements include only the operations of the District.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Government-Wide and Fund Financial Statements

The basic financial statements include both government-wide and fund financial statements.

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the non-fiduciary activities of the primary government. For the most part, the effect of interfund activity has been removed from these statements.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment is offset by program revenues. *Direct expenses* are those that are clearly identifiable with a specific function or segment. *Program revenues* include 1) charges to customers who purchase, use or directly benefit from goods, services or privileges provided by a given function or segment. (Operating-type special assessments for maintenance and debt service are treated as charges for services.); and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Other items not included among program revenues are reported instead as *general revenues*.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Measurement Focus, Basis of Accounting and Financial Statement Presentation

The government-wide financial statements are reported using the *economic resources measurement* focus and the *accrual basis of accounting*. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Assessments are recognized as revenues in the year for which they are levied. Grants and similar items are to be recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be *available* when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures are recorded only when payment is due.

Assessments

Assessments are non-ad valorem assessments on benefited property within the District. Operating and maintenance assessments are based upon the adopted budget and levied annually at a public hearing of the District. Debt service assessments are levied when Bonds are issued and assessed and collected on an annual basis. The District may collect assessments directly or utilize the “Uniform Method of Collection” under Florida Statutes. Direct collected assessments are due as set forth in the annual assessment resolution adopted by the Board of Supervisors. Assessments collected under the Uniform Method are noticed by the County Tax Collector on November 1 and due on or before March 31 of each year. Property owners may prepay a portion or all of the debt service assessments on their property subject to various provisions in the Bond documents.

Assessments and interest associated with the current fiscal period are considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. The portion of assessments receivable due within the current fiscal period is considered to be susceptible to accrual as revenue of the current period.

The District reports the following major governmental funds:

General Fund

The general fund is the general operating fund of the District. It is used to account for all financial resources except those required to be accounted for in another fund.

Debt Service Fund

The debt service fund is used to account for the accumulation of resources for the annual payment of principal and interest on long-term debt.

Capital Projects Fund

The capital projects fund is used to account for the costs of major infrastructure acquired by the District and also to accumulate capital reserves for future maintenance costs and capital projects.

As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements.

When both restricted and unrestricted resources are available for use, it is the government's policy to use restricted resources first for qualifying expenditures, then unrestricted resources as they are needed.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Assets, Liabilities and Net Position or Equity

Restricted Assets

These assets represent cash and investments set aside pursuant to Bond covenants or other contractual restrictions.

Deposits and Investments

The District's cash and cash equivalents are considered to be cash on hand and demand deposits (interest and non-interest bearing).

The District has elected to proceed under the Alternative Investment Guidelines as set forth in Section 218.415 (17) Florida Statutes. The District may invest any surplus public funds in the following:

- a) The Local Government Surplus Trust Funds, or any intergovernmental investment pool authorized pursuant to the Florida Inter-local Cooperation Act;
- b) Securities and Exchange Commission registered money market funds with the highest credit quality rating from a nationally recognized rating agency;
- c) Interest bearing time deposits or savings accounts in qualified public depositories;
- d) Direct obligations of the U.S. Treasury.

The State Board of Administration's ("SBA") Local Government Surplus Funds Trust Fund ("Florida PRIME") is a "2a-7 like" pool. A "2a-7 like" pool is an external investment pool that is not registered with the Securities and Exchange Commission ("SEC") as an investment company, but nevertheless has a policy that it will, and does, operate in a manner consistent with the SEC's Rule 2a-7 of the Investment Company Act of 1940, which comprises the rules governing money market funds. Thus, the pool operates essentially as a money market fund. The District has reported its investment in Florida PRIME at amortized cost for financial reporting purposes.

Securities listed in paragraph c and d shall be invested to provide sufficient liquidity to pay obligations as they come due. In addition, surplus funds may be deposited into certificates of deposit which are insured and any unspent Bond proceeds are required to be held in investments as specified in the Bond Indenture.

The District records all interest revenue related to investment activities in the respective funds. Investments are measured at amortized cost or reported at fair value as required by generally accepted accounting principles.

Prepaid Items

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both government-wide and fund financial statements.

Capital Assets

Capital assets which include property, plant and equipment, and infrastructure assets (e.g., roads, sidewalks and similar items) are reported in the government activities columns in the government-wide financial statements. Capital assets are defined by the government as assets with an initial, individual cost of more than \$5,000 (amount not rounded) and an estimated useful life in excess of two years. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at acquisition value at the date of donation.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Assets, Liabilities and Net Position or Equity (Continued)

Property, plant and equipment of the District are depreciated using the straight-line method over the following estimated useful lives:

<u>Assets</u>	<u>Years</u>
Buildings and Improvements	20 - 40
Infrastructure	35

Unearned Revenue

Governmental funds report unearned revenue in connection with resources that have been received, but not yet earned.

Long-Term Obligations

In the government-wide financial statements long-term debt and other long-term obligations are reported as liabilities in the statement of net position. Bond premiums and discounts are deferred and amortized over the life of the Bonds. Bonds payable are reported net of applicable premiums or discounts. Bond issuance costs are expensed when incurred.

In the fund financial statements, governmental fund types recognize premiums and discounts, as well as issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

Deferred Outflows/Inflows of Resources

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then.

In addition to liabilities, the statement of financial position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time.

Fund Equity/Net Position

In the fund financial statements, governmental funds report non spendable and restricted fund balance for amounts that are not available for appropriation or are legally restricted by outside parties for use for a specific purpose. Assignments of fund balance represent tentative management plans that are subject to change.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Assets, Liabilities and Net Position or Equity (Continued)

Fund Equity/Net Position (Continued)

The District can establish limitations on the use of fund balance as follows:

Committed fund balance – Amounts that can be used only for the specific purposes determined by a formal action (resolution) of the Board of Supervisors. Commitments may be changed or lifted only by the Board of Supervisors taking the same formal action (resolution) that imposed the constraint originally. Resources accumulated pursuant to stabilization arrangements sometimes are reported in this category.

Assigned fund balance – Includes spendable fund balance amounts established by the Board of Supervisors that are intended to be used for specific purposes that are neither considered restricted nor committed. The Board may also assign fund balance as it does when appropriating fund balance to cover differences in estimated revenue and appropriations in the subsequent year's appropriated budget. Assignments are generally temporary and normally the same formal action need not be taken to remove the assignment.

The District first uses committed fund balance, followed by assigned fund balance and then unassigned fund balance when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

Net position is the difference between assets and deferred outflows of resources less liabilities and deferred inflows of resources. Net position in the government-wide financial statements are categorized as net investment in capital assets, restricted or unrestricted. Net investment in capital assets represents net position related to infrastructure and property, plant and equipment. Restricted net position represents the assets restricted by the District's Bond covenants or other contractual restrictions. Unrestricted net position consists of the net position not meeting the definition of either of the other two components.

Other Disclosures

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

NOTE 3 – BUDGETARY INFORMATION

The District is required to establish a budgetary system and an approved Annual Budget. Annual Budgets are adopted on a basis consistent with generally accepted accounting principles for the general fund. All annual appropriations lapse at fiscal year-end.

The District follows these procedures in establishing the budgetary data reflected in the financial statements.

- a) Each year the District Manager submits to the District Board a proposed operating budget for the fiscal year commencing the upcoming October 1.
- b) Public hearings are conducted to obtain comments.
- c) Prior to October 1, the budget is legally adopted by the District Board.
- d) All budget changes must be approved by the District Board.
- e) The budgets are adopted on a basis consistent with generally accepted accounting principles.
- f) Unused appropriation for annually budgeted funds lapse at the end of the year.

NOTE 4 – DEPOSITS AND INVESTMENTS

Deposits

The District's cash balances were entirely covered by federal depository insurance or by a collateral pool pledged to the State Treasurer. Florida Statutes Chapter 280, "Florida Security for Public Deposits Act", requires all qualified depositories to deposit with the Treasurer or another banking institution eligible collateral equal to various percentages of the average daily balance for each month of all public deposits in excess of any applicable deposit insurance held. The percentage of eligible collateral (generally, U.S. Governmental and agency securities, state or local government debt, or corporate bonds) to public deposits is dependent upon the depository's financial history and its compliance with Chapter 280. In the event of a failure of a qualified public depository, the remaining public depositories would be responsible for covering any resulting losses.

Investments

The District's investments were held as follows at September 30, 2021:

	Amortized cost	Credit Risk	Maturities
US Bank Money Market 5- Ct	\$ 1,832,382	N/A	N/A
Investment in Local Government Surplus Funds Trust Fund (Florida PRIME)	248,707	S&P AAAM	Weighted average of the fund portfolio: 48 days
	<u>\$ 2,081,089</u>		

Credit risk – For investments, credit risk is generally the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. Investment ratings by investment type are included in the preceding summary of investments.

Concentration risk – The District places no limit on the amount the District may invest in any one issuer.

Interest rate risk – The District does not have a formal policy that limits investment maturities as a means of managing exposure to fair value losses arising from increasing interest rates.

However, the Bond Indenture limits the type of investments held using unspent proceeds.

Fair Value Measurement – When applicable, the District measures and records its investments using fair value measurement guidelines established in accordance with GASB Statements. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques.

These guidelines recognize a three-tiered fair value hierarchy, in order of highest priority, as follows:

- **Level 1:** Investments whose values are based on unadjusted quoted prices for identical investments in active markets that the District has the ability to access;
- **Level 2:** Investments whose inputs - other than quoted market prices - are observable either directly or indirectly; and,
- **Level 3:** Investments whose inputs are unobservable.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the entire fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

Money market investments that have a maturity at the time of purchase of one year or less and are held by governments other than external investment pools should be measured at amortized cost. For external investment pools that qualify to be measured at amortized cost, the pool's participants should also measure their investments in that external investment pool at amortized cost for financial reporting purposes. Accordingly, the District's investments have been reported at amortized cost above.

NOTE 4 – DEPOSITS AND INVESTMENTS

Investments (Continued)

External Investment Pool— With regard to redemption gates, Chapter 218.409(8)(a), Florida Statutes, states that “The principal, and any part thereof, of each account constituting the trust fund is subject to payment at any time from the moneys in the trust fund. However, the Executive Director may, in good faith, on the occurrence of an event that has a material impact on liquidity or operations of the trust fund, for 48 hours limit contributions to or withdrawals from the trust fund to ensure that the Board can invest moneys entrusted to it in exercising its fiduciary responsibility. Such action must be immediately disclosed to all participants, the Trustees, the Joint Legislative Auditing Committee, the Investment Advisory Council, and the Participant Local Government Advisory Council. The Trustees shall convene an emergency meeting as soon as practicable from the time the Executive Director has instituted such measures and review the necessity of those measures. If the Trustees are unable to convene an emergency meeting before the expiration of the 48-hour moratorium on contributions and withdrawals, the moratorium may be extended by the Executive Director until the Trustees are able to meet to review the necessity for the moratorium. If the Trustees agree with such measures, the Trustees shall vote to continue the measures for up to an additional 15 days. The Trustees must convene and vote to continue any such measures before the expiration of the time limit set, but in no case may the time limit set by the Trustees exceed 15 days.” With regard to liquidity fees, Florida Statute 218.409(4) provides authority for the SBA to impose penalties for early withdrawal, subject to disclosure in the enrollment materials of the amount and purpose of such fees. At present, no such disclosure has been made.

As of September 30, 2021, there were no redemption fees or maximum transaction amounts, or any other requirements that serve to limit a participant’s daily access to 100% of their account value.

NOTE 6 – LONG TERM LIABILITIES

Series 2015

In December 2015 the District issued \$8,280,000 of Capital Improvement Revenue Refunding Bonds, Series 2015 consisting of multiple term bonds with due dates ranging from May 1, 2016 to May 1, 2037 and fixed interest rates ranging from 3.3% to 6.70%. The Bonds were issued to refund a portion of the District's outstanding Capital Improvements Revenue Bonds, Series 2006 (the "Refunded Bonds"), acquire and construct certain assessable improvements (the "Project"), and pay certain costs associated with the issuance of the Bonds. Interest is to be paid semiannually on each May 1 and November 1. Principal on the Bonds is to be paid serially commencing May 1, 2016 through May 1, 2037.

The Bonds are subject to optional redemption prior to maturity as outlined in the Bond Indenture. The Bonds are also subject to extraordinary mandatory redemption prior to their selected maturity in the manner outlined in the Bond Indenture..

The Bond Indenture established a debt service reserve requirement as well as other restrictions and requirements relating principally to the use of proceeds to pay for the infrastructure improvements and the procedures to be followed by the District on assessments to property owners. The District agrees to levy special assessments in annual amounts adequate to provide payment of debt service and to meet the reserve requirements. The District was in compliance with the requirements at September 30, 2021.

Series 2020

In October 2020 the District issued \$2,625,000 of Capital Improvement Revenue Bonds, Series 2020A-1 and \$1,840,000 of Capital Improvement Revenue and Refunding Bonds, Series 2020A-2, consisting of multiple term bonds with due dates ranging from May 1, 2025 to May 1, 2050 and fixed interest rates ranging from 3.375% to 4.875%. The Bonds were issued to redeem a portion of the District's Capital Improvement Revenue Refunding Bonds, Series 2015A-3 and to finance a portion of the cost of acquiring, constructing, and equipping the Series 2020 project. Interest is to be paid semiannually on each May 1 and November 1. Principal on the Series 2020 Bonds is paid serially commencing May 1, 2021 through May 1, 2050.

The Bonds are subject to optional redemption prior to maturity as outlined in the Bond Indenture. The Bonds are also subject to extraordinary mandatory redemption prior to their selected maturity in the manner outlined in the Bond Indenture.

The Bond Indenture established a debt service reserve requirement as well as other restrictions and requirements relating principally to the use of proceeds to pay for the infrastructure improvements and the procedures to be followed by the District on assessments to property owners. The District agrees to levy special assessments in annual amounts adequate to provide payment of debt service and to meet the reserve requirements. The District was in compliance with the requirements at September 30, 2021.

NOTE 6 – LONG TERM LIABILITIES (Continued)

NOTE 7 – DEVELOPER TRANSACTIONS AND CONCENTRATION

The Developer owns certain lots within the District therefore assessments in the general and debt service funds include amounts collected on Developer owned lots.

The District's activity is dependent upon the continued involvement of the Developer and major Landowners, the loss of which could have a material adverse effect on the District's operations.

NOTE 8 – MANAGEMENT COMPANY

The District has contracted with a management company to perform management advisory services, which include financial and accounting services. Certain employees of the management company also serve as officers of the District. Under the agreement, the District compensates the management company for management, accounting, financial reporting, computer and other administrative costs.

NOTE 9 – RISK MANAGEMENT

The District is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters. The District has obtained commercial insurance from independent third parties to mitigate the costs of these risks; coverage may not extend to all situations. There were no settled claims since inception of the District.

NOTE 10 – SUBSEQUENT EVENTS

Subsequent to fiscal year end, the District issued \$10,870,000 of Series 2022 Bonds, consisting of multiple term bonds with due dates ranging from May 1, 2027 - May 1, 2052 and fixed interest rates ranging from 3.125% to 4%. The Bonds were issued to redeem a portion of the Series 2015A-3 and to finance the acquisition and construction of certain improvements for the benefit of the District.

NOTES TO REQUIRED SUPPLEMENTARY INFORMATION**

The District is required to establish a budgetary system and an approved Annual Budget for the general fund. The District's budgeting process is based on estimates of cash receipts and cash expenditures which are approved by the Board. The budget approximates a basis consistent with accounting principles generally accepted in the United States of America (generally accepted accounting principles).

The legal level of budgetary control, the level at which expenditures may not exceed budget, is in the aggregate. Any budget amendments that increase the aggregate budgeted appropriations must be approved by the Board of Supervisors. Actual general fund expenditures did not exceed appropriations for the fiscal year ended September 30, 2021.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT
OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

To the Board of Supervisors
Rolling Hills Community Development District
Clay County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities and each major fund of Rolling Hills Community Development District, Clay County, Florida ("District") as of and for the fiscal year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the District's basic financial statements, and have issued our opinion thereon dated August 9, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the District's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the District's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH THE
REQUIREMENTS OF SECTION 218.415, FLORIDA STATUTES, REQUIRED BY
RULE 10.556(10) OF THE AUDITOR GENERAL OF THE STATE OF FLORIDA**

To the Board of Supervisors
Rolling Hills Community Development District
Clay County, Florida

We have examined Rolling Hills Community Development District, Clay County, Florida's ("District") compliance with the requirements of Section 218.415, Florida Statutes, in accordance with Rule 10.556(10) of the Auditor General of the State of Florida during the fiscal year ended September 30, 2021. Management is responsible for District's compliance with those requirements. Our responsibility is to express an opinion on District's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the District complied, in all material respects, with the specified requirements referenced in Section 218.415, Florida Statutes. An examination involves performing procedures to obtain evidence about whether the District complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion. Our examination does not provide a legal determination on the District's compliance with specified requirements.

In our opinion, the District complied, in all material respects, with the aforementioned requirements for the fiscal year ended September 30, 2021.

This report is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, management, and the Board of Supervisors of Rolling Hills Community Development District, Clay County, Florida and is not intended to be and should not be used by anyone other than these specified parties.

RESOLUTION 2022-10

THE ANNUAL APPROPRIATION RESOLUTION OF THE ROLLING HILLS COMMUNITY DEVELOPMENT DISTRICT ("DISTRICT") RELATING TO THE ANNUAL APPROPRIATIONS AND ADOPTING THE BUDGET FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2022 AND ENDING SEPTEMBER 30, 2023; AUTHORIZING BUDGET AMENDMENTS; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the District Manager has, prior to the fifteenth (15th) day in June, 2022, submitted to the Board of Supervisors ("**Board**") of the Rolling Hills Community Development District ("**District**") proposed budget ("**Proposed Budget**") for the fiscal year beginning October 1, 2022 and ending September 30, 2023 ("**Fiscal Year 2022/2023**") along with an explanatory and complete financial plan for each fund of the District, pursuant to the provisions of Section 190.008(2)(a), *Florida Statutes*; and

WHEREAS, at least sixty (60) days prior to the adoption of the Proposed Budget, the District filed a copy of the Proposed Budget with the local governing authorities having jurisdiction over the area included in the District pursuant to the provisions of Section 190.008(2)(b), *Florida Statutes*; and

WHEREAS, the Board set a public hearing thereon and caused notice of such public hearing to be given by publication pursuant to Section 190.008(2)(a), *Florida Statutes*; and

WHEREAS, the District Manager posted the Proposed Budget on the District's website at least two days before the public hearing; and

WHEREAS, Section 190.008(2)(a), *Florida Statutes*, requires that, prior to October 1st of each year, the Board, by passage of the Annual Appropriation Resolution, shall adopt a budget for the ensuing fiscal year and appropriate such sums of money as the Board deems necessary to defray all expenditures of the District during the ensuing fiscal year; and

WHEREAS, the District Manager has prepared a Proposed Budget, whereby the budget shall project the cash receipts and disbursements anticipated during a given time period, including reserves for contingencies for emergency or other unanticipated expenditures during the fiscal year.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE ROLLING HILLS COMMUNITY DEVELOPMENT DISTRICT:

SECTION 1. BUDGET

- a. The Board has reviewed the Proposed Budget, a copy of which is on file with the office of the District Manager and at the District's Local Records Office, and hereby approves certain amendments thereto, as shown in Section 2 below.

- b. The Proposed Budget, attached hereto as **Exhibit A**, as amended by the Board, is hereby adopted in accordance with the provisions of Section 190.008(2)(a), *Florida Statutes* ("**Adopted Budget**"), and incorporated herein by reference; provided, however, that the comparative figures contained in the Adopted Budget may be subsequently revised as deemed necessary by the District Manager to reflect actual revenues and expenditures.
- c. The Adopted Budget, as amended, shall be maintained in the office of the District Manager and at the District's Local Records Office and identified as "The Budget for the Rolling Hills Community Development District for the Fiscal Year Ending September 30, 2023."
- d. The Adopted Budget shall be posted by the District Manager on the District's official website within thirty (30) days after adoption and shall remain on the website for at least 2 years.

SECTION 2. APPROPRIATIONS

There is hereby appropriated out of the revenues of the District, for Fiscal Year 2022/2023, the sum of \$_____ to be raised by the levy of assessments and/or otherwise, which sum is deemed by the Board to be necessary to defray all expenditures of the District during said budget year, to be divided and appropriated in the following fashion:

TOTAL GENERAL FUND	\$_____
CAPITAL RESERVE FUND	\$_____
DEBT SERVICE FUND SERIES 2015 A1	\$_____
DEBT SERVICE FUND SERIES 2015 A2	\$_____
DEBT SERVICE FUND SERIES 2015 A3	\$_____
DEBT SERVICE FUND SERIES 2020 A-1/A-2	\$_____
TOTAL ALL FUNDS	\$_____

SECTION 3. BUDGET AMENDMENTS

Pursuant to Section 189.016, *Florida Statutes*, the District at any time within Fiscal Year 2022/2023, or within 60 days following the end of the Fiscal Year 2022/2023, may amend its Adopted Budget for that fiscal year as follows:

- a. A line-item appropriation for expenditures within a fund may be decreased or increased by motion of the Board recorded in the minutes, and approving the expenditure, if the total appropriations of the fund do not increase.
- b. The District Manager or Treasurer may approve an expenditure that would increase or decrease a line-item appropriation for expenditures within a fund if the total appropriations of the fund do not increase and if either (i) the aggregate change in the original appropriation item does not exceed the greater of \$15,000 or 15% of the original appropriation, or (ii) such expenditure is authorized by separate disbursement or spending resolution.
- c. Any other budget amendments shall be adopted by resolution and consistent with Florida law.

The District Manager or Treasurer must ensure that any amendments to the budget under paragraph c. above are posted on the District's website within 5 days after adoption and remain on the website for at least 2 years.

SECTION 4. EFFECTIVE DATE. This Resolution shall take effect immediately upon adoption.

PASSED AND ADOPTED THIS 16TH DAY OF AUGUST, 2022.

RESOLUTION 2022-11

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE ROLLING HILLS COMMUNITY DEVELOPMENT DISTRICT MAKING A DETERMINATION OF BENEFIT AND IMPOSING SPECIAL ASSESSMENTS FOR FISCAL YEAR 2022/2023; PROVIDING FOR THE COLLECTION AND ENFORCEMENT OF SPECIAL ASSESSMENTS; CERTIFYING AN ASSESSMENT ROLL; PROVIDING FOR AMENDMENTS TO THE ASSESSMENT ROLL; PROVIDING A SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Rolling Hills Community Development District ("**District**") is a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, for the purpose of providing, operating and maintaining infrastructure improvements, facilities and services to the lands within the District; and

WHEREAS, the District is located in Clay County, Florida ("**County**"); and

WHEREAS, the District has constructed or acquired various infrastructure improvements and provides certain services in accordance with the District's adopted capital improvement plan and Chapter 190, *Florida Statutes*; and

WHEREAS, the Board of Supervisors ("**Board**") of the District hereby determines to undertake various operations and maintenance and other activities described in the District's budget ("**Adopted Budget**") for the fiscal year beginning October 1, 2022 and ending September 30, 2023 ("**Fiscal Year 2022/2023**"), attached hereto as **Exhibit "A"** and incorporated by reference herein; and

WHEREAS, the District must obtain sufficient funds to provide for the operation and maintenance of the services and facilities provided by the District as described in the Adopted Budget; and

WHEREAS, the provision of such services, facilities, and operations is a benefit to lands within the District; and

WHEREAS, Chapter 190, *Florida Statutes*, provides that the District may impose special assessments on benefitted lands within the District; and

WHEREAS, it is in the best interests of the District to proceed with the imposition of the special assessments for operations and maintenance in the amount set forth in the Adopted Budget; and

WHEREAS, the District has previously levied an assessment for debt service, which the District desires to collect for Fiscal Year 2022/2023; and

WHEREAS, Chapter 197, *Florida Statutes*, provides a mechanism pursuant to which such special assessments may be placed on the tax roll and collected by the local tax collector ("**Uniform Method**"), and the District has previously authorized the use of the Uniform Method by, among other things, entering into agreements with the Property Appraiser and Tax Collector of the County for that purpose; and

WHEREAS, it is in the best interests of the District to adopt the Assessment Roll of the Rolling Hills Community Development District ("**Assessment Roll**") attached to this Resolution as **Exhibit "B"** and incorporated as a material part of this Resolution by this reference, and to certify the Assessment Roll to the County Tax Collector pursuant to the Uniform Method; and

WHEREAS, it is in the best interests of the District to permit the District Manager to amend the Assessment Roll, certified to the County Tax Collector by this Resolution, as the Property Appraiser updates the property roll for the County, for such time as authorized by Florida law.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE ROLLING HILLS COMMUNITY DEVELOPMENT DISTRICT:

SECTION 1. BENEFIT & ALLOCATION FINDINGS. The Board hereby finds and determines that the provision of the services, facilities, and operations as described in **Exhibit "A"** confers a special and peculiar benefit to the lands within the District, which benefit exceeds or equals the cost of the assessments. The allocation of the assessments to the specially benefitted lands, as shown in **Exhibits "A" and "B,"** is hereby found to be fair and reasonable.

SECTION 2. ASSESSMENT IMPOSITION. Pursuant to Chapters 190 and 197, *Florida Statutes*, and using the procedures authorized by Florida law for the levy and collection of special assessments, a special assessment for operation and maintenance is hereby imposed and levied on benefitted lands within the District, and in accordance with **Exhibits "A" and "B."** The lien of the special assessments for operations and maintenance imposed and levied by this Resolution shall be effective upon passage of this Resolution. Moreover, pursuant to Section 197.3632(4), *Florida Statutes*, the lien amount shall serve as the "maximum rate" authorized by law for operation and maintenance assessments.

SECTION 3. COLLECTION. The collection of the operation and maintenance special assessments and previously levied debt service assessments shall be at the same time and in the same manner as County taxes in accordance with the Uniform Method, as indicated on **Exhibits "A" and "B."** The decision to collect special assessments by any particular method – e.g., on the tax roll or by direct bill – does not mean that such method will be used to collect special assessments in future years, and the District reserves the right in its sole discretion to select collection methods in any given year, regardless of past practices.

SECTION 4. ASSESSMENT ROLL. The Assessment Roll, attached to this Resolution as **Exhibit "B,"** is hereby certified to the County Tax Collector and shall be collected by the County

Tax Collector in the same manner and time as County taxes. The proceeds therefrom shall be paid to the District.

SECTION 5. ASSESSMENT ROLL AMENDMENT. The District Manager shall keep apprised of all updates made to the County property roll by the Property Appraiser after the date of this Resolution and shall amend the Assessment Roll in accordance with any such updates, for such time as authorized by Florida law, to the County property roll. After any amendment of the Assessment Roll, the District Manager shall file the updates in the District records.

SECTION 6. SEVERABILITY. The invalidity or unenforceability of any one or more provisions of this Resolution shall not affect the validity or enforceability of the remaining portions of this Resolution, or any part thereof.

SECTION 7. EFFECTIVE DATE. This Resolution shall take effect upon the passage and adoption of this Resolution by the Board.

I understand that it is my responsibility to periodically (at least monthly) test and check my security system, and to notify the company promptly of service needs, and additionally to notify the company in writing of any changes in the Emergency List information.

Terms and Conditions

1. **PRINTED AGREEMENT** - None of the **PRINTED AGREEMENT** or its terms and conditions may be altered without the express written approval of an officer of the Seller.

2. **SELLER** agrees to install specified systems on premises and to make any necessary inspections and tests to deliver system to Purchaser in operating condition in accordance with standard installation procedures of Seller. The installation will be completed within a reasonable length of time based on the conditions inherent in the premises and Seller's installation schedule.

3. **FULL ONE-YEAR WARRANTY** - Seller/Atlantic Companies promises to furnish a replacement part for any portion of Purchaser's security system that proves to be defective in workmanship or material under normal use for a period of one year from the date of installation. Seller reserves the right to use reconditioned parts in fulfillment of this warranty.

Seller/Atlantic Companies extends to Purchasers warranties for equipment not made by us granted us by manufacturers of such equipment used in Seller home systems. Seller will return this equipment to the original manufacturer for fulfillment of their warranty obligations.

We will furnish the labor to remove and replace the defective part during the same one-year period. Seller/Atlantic Companies makes no other warranty except as herein specifically set forth, particularly any warranty of merchantability or fitness for any particular purpose, either express or implied in law.

GENERAL: Furnishing of parts and labor as described above shall constitute fulfillment of all Seller/Atlantic Companies obligations with respect to this warranty, and replacement part will be warranted only for the unexpired portion of the original warranty.

A bill of sale, cancelled check, or payment record shall be kept by Purchaser to verify purchase date and establish warranty period.

To obtain service, call the office listed on the Purchase Agreement you signed at the time of purchase of your system:

Distributed by Atlantic Companies
1714 Cesery Boulevard
Jacksonville, FL 32211

Ready access to the system for service is the responsibility of the Purchaser. Seller will perform service during normal working hours. For emergency service, Seller will charge you an emergency service labor premium.

Seller will endeavor to perform service within 48 hours after notification of a problem by the Purchaser.

EXCLUSIONS: This warranty applies only to units sold and retained within the continental USA. This warranty does not apply to the product or parts that have been damaged by accident, abuse, lack of proper maintenance, unauthorized alterations, misapplication, fire, flood, lightning strikes or acts of God.

This warranty does not cover service calls which do not involve defective workmanship or materials.

IN NO CASE WILL SELLER/ATLANTIC COMPANIES BE RESPONSIBLE FOR CONSEQUENTIAL OR SPECIAL DAMAGES.

4. **SELLER NOT AN INSURER** - It is specifically understood and agreed: That Seller is not an insurer; that insurance, if any, shall be obtained by Purchaser; that the payments provided for herein are based solely on the value of the service as set forth herein and are unrelated to the value of the Purchaser's property or premises; THAT SELLER MAKES NO GUARANTEE OR WARRANTY, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS THAT THE EQUIPMENT OR SERVICES SUPPLIED WILL AVERT OR PREVENT OCCURRENCES OR THE CONSEQUENCES THEREFROM WHICH THE SYSTEM OR SERVICE IS DESIGNED TO DETECT OR AVERT; Purchaser acknowledges that it is impractical and extremely difficult to fix the actual damages; if any, which may proximately result from a failure to perform any of the obligations herein, or the failure of the systems to properly operate with resulting loss to Purchaser because of, among other things:

(a) The uncertain amount or value of Purchaser's property or that of other persons kept on the premises which may be lost, stolen, destroyed, damaged or otherwise affected by occurrences which the system or service is designed to detect or avert;

(b) The uncertainty of the response time of any police department, fire department, paramedic unit, patrol service or other such services or entities should such department or entity be dispatched as a result of a signal being received or an audible device sounding;

(c) The inability to ascertain what portion, if any, of any loss would be proximately caused by Seller's failure to perform or by failure of its equipment to operate;

(d) The nature of the service to be performed by the Seller and the uncertain nature of occurrences which might cause injury or death to Buyer or any other person which the system or equipment is designed to detect or avert.

Purchaser understands and agrees that if Seller should be found liable for loss or damage due from a failure of Seller to perform any of the obligations herein, whatsoever, including, but not limited to installation, design, service, monitoring, or the failure of any system or equipment installed by, or service performed by Seller in any respect whatsoever, Seller's maximum liability

shall not exceed a sum equal to the annual service charge contracted herein or Two Hundred Fifty (\$250.00) Dollars, whichever is less, and this liability shall be exclusive; and that the provisions of this Section shall apply if loss or damage, irrespective of cause or origin, results directly or indirectly from performance or nonperformance of the obligation imposed by this contract or from negligence, active or otherwise, of Seller, its agents, assigns or employees. In the event that the Purchaser wished Seller to assume greater liability, Purchaser may, as a matter of right, obtain from Seller a higher limited liability by paying an additional amount proportioned to the increase in damages, but such additional obligation shall in no way be interpreted to hold Seller as an insurer. Purchaser may also obtain such additional liability protection from insurance carrier, as Purchaser desires.

5. **INDEMNIFICATION** - Purchaser agrees to and shall indemnify and save harmless the Seller, its employees and agents for and against all third party claims, lawsuits and losses arising out of or in connection with the operation or non-operation of the system or monitoring facilities whether these claims be based upon alleged intentional conduct or active or passive negligence on the part of Seller, its agents, servants or employees.

The Seller assumes no liability for delay in installation of the system, or interruption of service due to strikes, riots, floods, fires, acts of God, or any cause beyond the control of Seller including interruption in telephone service. Seller will not be required to supply service to the Purchaser while interruption of service due to any such cause shall continue.

6. **CENTRAL STATION SERVICES** - Central station services consist of the receipt, analysis and response (dispatch of proper authorities) to signals from system installed under this Agreement. Such services are initiated upon final payment for installation and pre-payment of service charges. All services may be discontinued anytime charges are unpaid or system is abused. Notice by certified or registered letter to billing address shall be deemed sufficient notice of discontinuation and shall be deemed effective for all purposes upon mailing and not receipt.

Monitoring service is billed and payable annually in advance. **MONITORING SERVICE SHALL CONTINUE ON A YEARLY BASIS UNLESS CANCELLED IN WRITING BY EITHER PARTY NO LESS THAN 60 DAYS BEFORE ANNUAL RENEWAL DATE.**

The Department or other organization to which the connection may be made or an alarm signal may be transmitted may invoke the provisions hereof against any claims by the Purchaser or by others due to failure of such Department organization.

7. **TELEPHONE OR INTERNET CONNECTIONS** - Seller will assist Purchaser in making necessary arrangements to secure telephone or internet service connections for systems. Purchaser agrees to

furnish any necessary telephone or internet services or telephone lines at Purchaser's own expense.

The charge for the installation and continuation of this service shall be billed to the account of the Purchaser and will appear on his regular telephone or internet billing.

8. **TESTING** - It is the responsibility of the Purchaser to test the system for proper operations periodically but not less than monthly. Purchaser shall follow all instructions and procedures which Seller may prescribe for the operation and maintenance of the system.

9. **RETENTION OF TITLE AND RIGHT OF ACCESS** - The system shall remain the personal property of Seller until fully paid for in cash by Purchaser and Purchaser agrees to perform all acts which may be necessary to assure the retention of title to the system by Seller. Purchaser understands and agrees that the installation of equipment owned by Seller does not create a fixture on the Premise as to that equipment. Should Purchaser default in any payment for the system or part, then Purchaser authorized and empowers Seller to enter upon/in said Premise and to remove the system, or part from the premises. Such removal, if made by Seller, shall not be deemed a waiver of Seller's right to damages Seller sustains as a result of Purchaser's default and Seller shall have the right to enforce any other legal remedy or right. Furthermore, Seller shall be in no way obligated to restore the premises to its original condition, or redecorate same in the event the system or part is removed as a result of Purchaser's default in payment, nor shall Seller be obligated or liable to Purchaser in any manner. Risk of loss of the system, or any part of the same, shall pass to Purchaser upon delivery to the premises of such system or part.

10. **FEES, CHARGES, RIGHTS AND COST OF COLLECTION** - All fees and charges are payable in advance. Failure to pay fees, charges or other sums owed will result in your services being disconnected. Further, when you are in default, Seller can require immediate payment (acceleration) of what you owe under the contract and take possession of the property. Purchaser waives any right Purchaser has to demand for payment, notice of intent to accelerate and notice of acceleration. If Seller hires an attorney to collect what Purchaser owes, Purchaser will pay the attorney's fee and court costs as permitted by law. This includes any attorneys' fees Seller incurs as a result of any bankruptcy proceeding brought by or against Purchaser under federal law or an appellate proceeding. Payment shall be due upon the receipt of invoices by Seller unless otherwise specified on the front hereof. Interest shall accrue on all amounts more than thirty (30) days past due at the default rate of interest of 18% per annum or the maximum allowable rate, whichever is less. All payments shall be due and payable at Seller's office set forth on the front of the Agreement. Additionally, there will be a 1.50%/month LATE CHARGE on Past Due Balances. The minimum Late Charge is \$3.00. Any action taken under paragraph 6 and/or paragraph 9 shall in no way prejudice Seller's right to collection of unpaid charges and costs herein enumerated. If services are discontinued because of Purchaser's past due balance, and if Purchaser desires to have the monitoring service reactivated, Purchaser agrees to pay in advance to Seller a reconnect charge to be fixed by Seller at a reasonable amount. Seller shall have the right to increase the reoccurring service charge provided herein, upon written notice to Purchaser, at any time or times after the date service is operative under this Agreement. Purchaser agrees to notify Seller of any objections to such increase in writing within twenty (20) days after the date of the notice of increase, failing which it shall be conclusively presumed that Purchaser agreed to such increase. In the event Purchaser objects to such increase, Seller may elect to (i.) continue this Agreement under the terms and conditions in effect immediately prior to such increase, or (ii.) terminate the Agreement upon fifteen (15) days advance notice to Purchaser.

In addition to these charges addressed above, Purchaser agrees to pay, upon demand, (a) any false alarm assessments; federal, state and local taxes, fees or charges imposed by any governmental body or entity relating to the equipment or services provided under this Agreement; (b) any increase in charges to company or to Seller for the facilities needed to transmit signals under this Agreement; and (c) any service charge in the event Seller sends a representative to Purchaser's premises in response to a service call or alarm signals where Purchaser has not followed proper operating instructions, failed to close or properly secure a window, door or other protected point, or improperly adjusted CCTV camera, monitors or accessory components.

11. **NOTICE TO PURCHASER** - Under the Mechanic's Lien Law, any person who helps to improve your property and is not paid has the right to enforce his claim against your property. Under law, you may protect yourself against such claims either by filing with the Court a 'No Lien Agreement' or a payment bond depending upon the law of the state where your property is located.

(a) **BUYER'S RIGHT TO CANCEL** this Agreement. Buyer may cancel this Agreement or purchase by mailing a written notice to the Seller postmarked not later than midnight of the third business day after the date this Agreement was signed. Buyer may use the face of this Agreement as that notice by writing 'I hereby cancel' by Buyer signature and by adding your name, address and new signature thereon. The notice must be mailed to Seller at the office indicated in the Agreement and must be sent by either certified mail or registered mail.

12. **ENTIRE AGREEMENT** - This instrument constituted the entire Agreement between the parties hereto with respect to the transactions described herein and supersedes all previous negotiations, commitments (either written or spoken) and writing pertaining hereto.

This Agreement can only be changed by a written amendment signed by both parties or their duly authorized agent. No waiver or breach of any term or condition of this Agreement shall be construed to be a waiver of any succeeding breach.

If any of the terms or provisions of this Agreement shall be determined to be invalid or inoperative, all of the remaining terms and provisions shall remain in full force and effect.

This Agreement becomes binding upon Seller only when signed by a District Sales Manager of Atlantic Companies. In the event of non-approval, the sole liability of the Seller shall be to refund to Buyer the amount that has been paid to Seller upon execution of this Agreement.

13. **LITIGATION** - The laws of the State of Florida shall govern the terms of this Agreement and the parties agree to submit to the jurisdiction of the State of Florida. Venue for resolution of any disputes arising under this Agreement, including litigation, regardless of place of payment, shall be in a forum or court, as required, of competent jurisdiction in Duval County, Florida, and the undersigned waives any venue rights he may possess and agrees that he shall not contest that Duval County, Florida, is a convenient forum.

14. **CHANGES AND ASSIGNMENT** - Purchaser acknowledges that the sale or transfer of the Premise by the Purchaser to a third party does not relieve Purchaser of his obligations under this Agreement. Purchaser may not assign this Agreement unless Purchaser obtains prior written consent from Seller. Seller may assign this Agreement or subcontract the work to be performed without notice to Purchaser or Purchaser's consent.

15. **THIRD PARTY INDEMNIFICATION** - In the event any person, not a party to this Agreement, shall make any claim of file any lawsuit against Seller for any reason relating to our duties and obligations pursuant to this Agreement, including but not limited to the design, maintenance, operation, or non-operation of the alarm-system, Purchaser agrees to indemnify, defend and hold Seller, its dealers, agents, installers, their successors and assigns harmless from any and all claims and lawsuits, including the payment of all damages, expenses, costs and attorneys' fees, whether these claims be based upon alleged intentional conduct, active or passive negligence, express or implied contract or warranty, contribution or indemnification, or strict or product liability on the part of Seller, its dealers, installers, agents, servants, assign or employees. This Agreement by Purchaser to indemnify Seller against third party claims as herein above set forth shall not apply to losses, damages, expenses and liability resulting in injury or death to third persons or injury to property of third persons, which losses, damages, expenses and liability occur solely while an employee of Seller is on Purchaser's Premises in accordance with this Agreement and which losses, damages and liability are solely and directly caused by the act or omissions of that employee.

ABOUT THIS BILL:

When returning your payment by mail, please return the lower portion with your remittance. Include your customer number on your check or other correspondence. Do not mail cash. When paying your bill in person, please bring the entire bill with you. The upper portion will be stamped "paid" to serve as your receipt.

ABOUT DEPOSITS:

Deposits are necessary to protect paying customers from losses caused by those who do not pay. Deposits earn interest annually. Customers with deposits on file will receive interest credits on the bill received after their 12 month anniversary date and each year thereafter during that same period.

COLLECTIONS:

Payments are due upon receipt. Any previous balance beyond the due date for that billing period is past due and subject to disconnection. Customers may be charged a late charge for past due payments.

SERVICE CHARGE:

A charge for additional services related to your account such as initial connection of service, reconnection after failure to pay, premise visit, after hours premise visit, return check charge, violation of reconnection, etc. may apply.

TAX:

Some municipalities levy a tax on services you use. It is collected by your utility and remitted to the municipality.

ABOUT EMPLOYEES:

Company policy prohibits field personnel from collecting cash. All field employees are in company uniform and carry identification cards.

If your service is interrupted, please call the telephone number listed on the front of your bill. Please remember that during severe weather service interruption may be widespread, thus delaying the repair of service.

ACCOUNT INFORMATION CHANGES:

Please note we cannot change the name or mailing address on this account without proper documentation. If the actual name or mailing address on your account is incorrect, please visit us on the web at www.clayutility.org. If you do not have web access, you may call our toll free number at 1-877-476-CCUA. Having the correct billing (mailing) address on your account will help ensure proper delivery of your bill. CCUA will not be responsible for returned mail or disconnection of service due to non-payment of your account should you not receive a bill. If there is a discrepancy in your service address, CCUA billing staff will have to verify your correct address with the County before any change is made.

SJRWMD COST RECOVERY CHARGE:

The SJRWMD Cost Recovery Charge is a charge assessed to CCUA customers for their proportional share of funding participation in the St. Johns River Water Management District's (SJRWMD) Black Creek Water Resource Development Project in Keystone Heights (Black Creek Project). This charge will remain on customer bills for a period of 24 months.

ABOUT THIS BILL:

When returning your payment by mail, please return the lower portion with your remittance. Include your customer number on your check or other correspondence. Do not mail cash. When paying your bill in person, please bring the entire bill with you. The upper portion will be stamped "paid" to serve as your receipt.

ABOUT DEPOSITS:

Deposits are necessary to protect paying customers from losses caused by those who do not pay. Deposits earn interest annually. Customers with deposits on file will receive interest credits on the bill received after their 12 month anniversary date and each year thereafter during that same period.

COLLECTIONS:

Payments are due upon receipt. Any previous balance beyond the due date for that billing period is past due and subject to disconnection. Customers may be charged a late charge for past due payments.

SERVICE CHARGE:

A charge for additional services related to your account such as initial connection of service, reconnection after failure to pay, premise visit, after hours premise visit, return check charge, violation of reconnection, etc. may apply.

TAX:

Some municipalities levy a tax on services you use. It is collected by your utility and remitted to the municipality.

ABOUT EMPLOYEES:

Company policy prohibits field personnel from collecting cash. All field employees are in company uniform and carry identification cards.

If your service is interrupted, please call the telephone number listed on the front of your bill. Please remember that during severe weather service interruption may be widespread, thus delaying the repair of service.

ACCOUNT INFORMATION CHANGES:

Please note we cannot change the name or mailing address on this account without proper documentation. If the actual name or mailing address on your account is incorrect, please visit us on the web at www.clayutility.org. If you do not have web access, you may call our toll free number at 1-877-476-CCUA. Having the correct billing (mailing) address on your account will help ensure proper delivery of your bill. CCUA will not be responsible for returned mail or disconnection of service due to non-payment of your account should you not receive a bill. If there is a discrepancy in your service address, CCUA billing staff will have to verify your correct address with the County before any change is made.

SJRWMD COST RECOVERY CHARGE:

The SJRWMD Cost Recovery Charge is a charge assessed to CCUA customers for their proportional share of funding participation in the St. Johns River Water Management District's (SJRWMD) Black Creek Water Resource Development Project in Keystone Heights (Black Creek Project). This charge will remain on customer bills for a period of 24 months.

Consumer Confidence reports are available at our office and website

<https://www.clayutility.org/ccr>

Please include any mailing address changes on a separate enclosure and return with your bill stub and payment or visit us at www.clayutility.org.

**All payments are automatically processed.
Noting changes on this bill stub will not ensure proper changes are made to your account.**

DEFINITIONS:

Access Charge: The Access Charge recovers some of the fixed costs that come directly from serving an individual member, regardless of how much electricity is used. These costs include the cost of the meter, wire and other equipment used to deliver electricity to the home or business, as well as meter reading technology and billing expenses. All utilities have some type of an access charge.

Power Cost Adjustment: The Power Cost Adjustment reflects the increases/decreases in the co-op's cost of power purchased wholesale from Seminole Electric Cooperative. The fluctuation in the Power Cost Adjustment is largely caused by changes in the cost of fuel for generation.

Operation Round Up: Operation Round Up is a program to generate and collect voluntary donations that are used to benefit organizations in Clay Electric's service area for the purpose of improving the quality of life of our members and their communities.

Access Charge: The Access Charge recovers some of the fixed costs that come directly from serving an individual member, regardless of how much electricity is used. These costs include the cost of the meter, wire and other equipment used to deliver electricity to the home or business, as well as meter reading technology and billing expenses. All utilities have some type of an access charge.

Power Cost Adjustment: The Power Cost Adjustment reflects the increases/decreases in the co-op's cost of power purchased wholesale from Seminole Electric Cooperative. The fluctuation in the Power Cost Adjustment is largely caused by changes in the cost of fuel for generation.

Operation Round Up: Operation Round Up is a program to generate and collect voluntary donations that are used to benefit organizations in Clay Electric's service area for the purpose of improving the quality of life of our members and their communities.

NOTICE OF MEETING

ROLLING HILLS COMMUNITY DEVELOPMENT DISTRICT NOTICE OF BOARD OF SUPERVISORS' MEETING

The Board of Supervisors ("Board") of the Rolling Hills Community Development District ("District") will hold a special meeting of the Board of Supervisors on Thursday, May 5, 2022 at 3:00 p.m. at the Rolling Hills Amenity Center, 3212 Budley Creek Parkway, Green Cove Springs, Florida 32043. A copy of the agenda may be obtained at the offices of the District Manager, Governmental Management Services, LLC, 475 West Town Place, Suite 114, St. Augustine, Florida 32092, Ph: (904) 940-6860 ("District Manager's Office"), during normal business hours.

The meeting is open to the public and will be conducted in accordance with the provisions of Florida law. The meeting may be continued to a date, time, and place to be specified on the record at the meeting. There may be occasions when Board Supervisors or District Staff may participate by speaker telephone.

Any person requiring special accommodations at the meeting because of a disability or physical impairment should contact the District Manager's Office at least forty-eight (48) hours prior to the meeting. If you are hearing or speech impaired, please contact the Florida Relay Service by dialing 7-1-1, or 1-800-955-8771 (TTY) / 1-800-955-8770 (Voice), for aid in contacting the District Manager's Office.

Any person who decides to appeal any decision made by the Board with respect to any matter considered at the meeting is advised that person will need a record of proceedings and that accordingly, the person may need to ensure that a verbal record of the proceedings is made, including the testimony and evidence upon which such appeal is to be based.

Marilee Giles, District Manager

Billing Rights Summary

If you think your bill is incorrect, or if you need more information about the details of your bill, please contact us at the number listed on the front of your bill or email.

We must hear from you no later than 60 days from the date of your bill on which the error occurred. Your bill shall be deemed correct unless disputed within 60 days from receipt.

Electronic Funds Transfer Notice

If you pay by check, it will be converted into an "Electronic Funds Transfer" (EFT), a process in which your financial institution is electronically instructed to transfer funds from your account to ours in lieu of processing the check. By sending your completed check to us, you authorize us to use the account information therein to create an EFT for the amount indicated on the check. If the EFT cannot be processed for technical or other reasons, you authorize us to process an image replacement document, draft, or copy of your check.

Late Fees & Service Fees

To avoid late fees and service interruptions, payments must be received by the due date except as may be otherwise provided by written contract. GFL Environmental reserves the right to charge service-related fees associated with but not limited to the following: setup fees, early termination fees, container return fees, etc.

Electronic Funds Transfer Notice

If you pay by check, it will be converted into an "Electronic Funds Transfer" (EFT), a process in which your financial institution is electronically instructed to transfer funds from your account to ours in lieu of processing the check. By sending your completed check to us, you authorize us to use the account information therein to create an EFT for the amount indicated on the check. If the EFT cannot be processed for technical or other reasons, you authorize us to process an image replacement document, draft, or copy of your check.

Cancellation Policy and Proration Policy

The customer must provide written notice of cancellation via certified mail at the address on the front of your bill. There will be no proration of billing and you will not be entitled to a refund if service is canceled during a billing cycle. You will remain responsible for all charges, fees and taxes through the end of the billing cycle (including the period between the notice of termination and the end of the current billing cycle). This provision will not apply if it is contrary to a current franchise agreement, municipal contract, or other written contract applicable to this account or is otherwise prohibited by law.

Insufficient Funds Notice

If your check is returned for insufficient or uncollected funds (NSF), your signature on your check gives us permission to debit your checking account electronically for the uncollected amount. Payment by check constitutes your acceptance of these terms. For each returned check a fee will be assessed on your next billing equal to the maximum amount permitted by state law.

Patti,

We have a meeting with Rolling Hills this Thursday to review RFP Bids and to talk about Budget concerns specifically, the pool marcite repair (approx 250,000.00) coming up. RHCDD will approve their budget at the June 14th meeting. Jim and I are going to review their budget concerns at this Thursday's meeting. If they stick to the recommendation of the Capital Reserve Study, the Capital Reserve contribution increases to \$147k for FY23. Please use that amount as a place holder for now.

I know Jay Soriano and Freddie have been corresponding with you about budget increases already. Is there any specific concerns you have that I need to focus on?

Marilee: See page 2-1 of attached reports. That will be the nexus of recommendation to increase capital reserve contribution as recommended by the consultant. This will cost about \$200 per lot (whether platted or planned).

Important Messages

Due to the continuing rise of natural gas prices, we are implementing an increase in our rates beginning this month. Members using the industry household average of 1,000 kWh of power will pay \$129.90, a \$6 increase. The higher cost of power is reflected in the Power Cost Adjustment (PCA) on members' power bills. The additional amount each member pays each month will vary based on how much electricity is used.

Please see the back of this bill for a chart displaying the increases in natural gas and our cost of power.

DEFINITIONS:

Access Charge: The Access Charge recovers some of the fixed costs that come directly from serving an individual member, regardless of how much electricity is used. These costs include the cost of the meter, wire and other equipment used to deliver electricity to the home or business, as well as meter reading technology and billing expenses. All utilities have some type of an access charge.

Power Cost Adjustment: The Power Cost Adjustment reflects the increases/decreases in the co-op's cost of power purchased wholesale from Seminole Electric Cooperative. The fluctuation in the Power Cost Adjustment is largely caused by changes in the cost of fuel for generation.

Operation Round Up: Operation Round Up is a program to generate and collect voluntary donations that are used to benefit organizations in Clay Electric's service area for the purpose of improving the quality of life of our members and their communities.

Important Messages

Due to the continuing rise of natural gas prices, we are implementing an increase in our rates beginning this month. Members using the industry household average of 1,000 kWh of power will pay \$129.90, a \$6 increase. The higher cost of power is reflected in the Power Cost Adjustment (PCA) on members' power bills. The additional amount each member pays each month will vary based on how much electricity is used.

Please see the back of this bill for a chart displaying the increases in natural gas and our cost of power.

Clay Electric Cooperative was rated by our customers

**#1 in Customer Satisfaction
with Residential Electric Service
Among Cooperatives**

For 12th year, 2021-2022, based on a survey of 1,100 members.

DEFINITIONS:

Access Charge: The Access Charge recovers some of the fixed costs that come directly from serving an individual member, regardless of how much electricity is used. These costs include the cost of the meter, wire and other equipment used to deliver electricity to the home or business, as well as meter reading technology and billing expenses. All utilities have some type of an access charge.

Power Cost Adjustment: The Power Cost Adjustment reflects the increases/decreases in the co-op's cost of power purchased wholesale from Seminole Electric Cooperative. The fluctuation in the Power Cost Adjustment is largely caused by changes in the cost of fuel for generation.

Operation Round Up: Operation Round Up is a program to generate and collect voluntary donations that are used to benefit organizations in Clay Electric's service area for the purpose of improving the quality of life of our members and their communities.

NOTICE OF GENERAL ELECTION

NOTICE OF QUALIFYING PERIOD FOR CANDIDATES FOR THE BOARD OF SUPERVISORS OF THE ROLLING HILLS COMMUNITY DEVELOPMENT DISTRICT

Notice is hereby given that the qualifying period for candidates for the office of Supervisor of the Rolling Hills Community Development District ("District") will commence at noon on June 13, 2022, and close at noon on June 17, 2022. Candidates must qualify for the office of Supervisor with the Clay County Supervisor of Elections located at 600 N. Orange Avenue, Green Cove Springs, Florida 32043; Ph: (904) 269-6360. All candidates shall qualify for individual seats in accordance with Section 99.061, Florida Statutes, and must also be a "qualified elector" of the District, as defined in Section 190.003, Florida Statutes. A "qualified elector" is any person at least 18 years of age who is a citizen of the United States, a legal resident of the State of Florida and of the District, and who is registered to vote with the Clay County Supervisor of Elections. Campaigns shall be conducted in accordance with Chapter 108, Florida Statutes.

The Rolling Hills Community Development District has two (3) seats up for election, specifically seats 2, 4 and 5. Each seat carries a four-year term of office. Elections are nonpartisan and will be held at the same time as the general election on November 8, 2022, and in the manner prescribed by law for general elections. For additional information, please contact the Clay County Supervisor of Elections.

Billing Rights Summary

If you think your bill is incorrect, or if you need more information about the details of your bill, please contact us at the number listed on the front of your bill or email.

We must hear from you no later than 60 days from the date of your bill on which the error occurred. Your bill shall be deemed correct unless disputed within 60 days from receipt.

Electronic Funds Transfer Notice

If you pay by check, it will be converted into an "Electronic Funds Transfer" (EFT), a process in which your financial institution is electronically instructed to transfer funds from your account to ours in lieu of processing the check. By sending your completed check to us, you authorize us to use the account information therein to create an EFT for the amount indicated on the check. If the EFT cannot be processed for technical or other reasons, you authorize us to process an image replacement document, draft, or copy of your check.

Late Fees & Service Fees

To avoid late fees and service interruptions, payments must be received by the due date except as may be otherwise provided by written contract. GFL Environmental reserves the right to charge service-related fees associated with but not limited to the following: setup fees, early termination fees, container return fees, etc.

Electronic Funds Transfer Notice

If you pay by check, it will be converted into an "Electronic Funds Transfer" (EFT), a process in which your financial institution is electronically instructed to transfer funds from your account to ours in lieu of processing the check. By sending your completed check to us, you authorize us to use the account information therein to create an EFT for the amount indicated on the check. If the EFT cannot be processed for technical or other reasons, you authorize us to process an image replacement document, draft, or copy of your check.

Cancellation Policy and Proration Policy

The customer must provide written notice of cancellation via certified mail at the address on the front of your bill. There will be no proration of billing and you will not be entitled to a refund if service is canceled during a billing cycle. You will remain responsible for all charges, fees and taxes through the end of the billing cycle (including the period between the notice of termination and the end of the current billing cycle). This provision will not apply if it is contrary to a current franchise agreement, municipal contract, or other written contract applicable to this account or is otherwise prohibited by law.

Insufficient Funds Notice

If your check is returned for insufficient or uncollected funds (NSF), your signature on your check gives us permission to debit your checking account electronically for the uncollected amount. Payment by check constitutes your acceptance of these terms. For each returned check a fee will be assessed on your next billing equal to the maximum amount permitted by state law.

MAIL PAYMENT TO:

CLAY COUNTY UTILITY AUTHORITY
3176 OLD JENNINGS ROAD
MIDDLEBURG, FL 32068

ABOUT THIS BILL:

When returning your payment by mail, please return the lower portion with your remittance. Include your customer number on your check or other correspondence. Do not mail cash. When paying your bill in person, please bring the entire bill with you. The upper portion will be stamped "paid" to serve as your receipt.

ABOUT DEPOSITS:

Deposits are necessary to protect paying customers from losses caused by those who do not pay. Deposits earn interest annually. Customers with deposits on file will receive interest credits on the bill received after their 12 month anniversary date and each year thereafter during that same period.

COLLECTIONS:

Payments are due upon receipt. Any previous balance beyond the due date for that billing period is past due and subject to disconnection. Customers may be charged a late charge for past due payments.

SERVICE CHARGE:

A charge for additional services related to your account such as initial connection of service, reconnection after failure to pay, premise visit, after hours premise visit, return check charge, violation of reconnection, etc. may apply.

TAX:

Some municipalities levy a tax on services you use. It is collected by your utility and remitted to the municipality.

ABOUT EMPLOYEES:

Company policy prohibits field personnel from collecting cash. All field employees are in company uniform and carry identification cards.

If your service is interrupted, please call the telephone number listed on the front of your bill. Please remember that during severe weather service interruption may be widespread, thus delaying the repair of service.

ACCOUNT INFORMATION CHANGES:

Please note we cannot change the name or mailing address on this account without proper documentation. If the actual name or mailing address on your account is incorrect, please visit us on the web at www.clayutility.org. If you do not have web access, you may call our toll free number at 1-877-476-CCUA. Having the correct billing (mailing) address on your account will help ensure proper delivery of your bill. CCUA will not be responsible for returned mail or disconnection of service due to non-payment of your account should you not receive a bill. If there is a discrepancy in your service address, CCUA billing staff will have to verify your correct address with the County before any change is made.

SJRWMD COST RECOVERY CHARGE:

The SJRWMD Cost Recovery Charge is a charge assessed to CCUA customers for their proportional share of funding participation in the St. Johns River Water Management District's (SJRWMD) Black Creek Water Resource Development Project in Keystone Heights (Black Creek Project). This charge will remain on customer bills for a period of 24 months.

Consumer Confidence reports are available at our office and website

MAIL PAYMENT TO:

CLAY COUNTY UTILITY AUTHORITY
3176 OLD JENNINGS ROAD
MIDDLEBURG, FL 32068

ABOUT THIS BILL:

When returning your payment by mail, please return the lower portion with your remittance. Include your customer number on your check or other correspondence. Do not mail cash. When paying your bill in person, please bring the entire bill with you. The upper portion will be stamped "paid" to serve as your receipt.

ABOUT DEPOSITS:

Deposits are necessary to protect paying customers from losses caused by those who do not pay. Deposits earn interest annually. Customers with deposits on file will receive interest credits on the bill received after their 12 month anniversary date and each year thereafter during that same period.

COLLECTIONS:

Payments are due upon receipt. Any previous balance beyond the due date for that billing period is past due and subject to disconnection. Customers may be charged a late charge for past due payments.

SERVICE CHARGE:

A charge for additional services related to your account such as initial connection of service, reconnection after failure to pay, premise visit, after hours premise visit, return check charge, violation of reconnection, etc. may apply.

TAX:

Some municipalities levy a tax on services you use. It is collected by your utility and remitted to the municipality.

ABOUT EMPLOYEES:

Company policy prohibits field personnel from collecting cash. All field employees are in company uniform and carry identification cards.

If your service is interrupted, please call the telephone number listed on the front of your bill. Please remember that during severe weather service interruption may be widespread, thus delaying the repair of service.

ACCOUNT INFORMATION CHANGES:

Please note we cannot change the name or mailing address on this account without proper documentation. If the actual name or mailing address on your account is incorrect, please visit us on the web at www.clayutility.org. If you do not have web access, you may call our toll free number at 1-877-476-CCUA. Having the correct billing (mailing) address on your account will help ensure proper delivery of your bill. CCUA will not be responsible for returned mail or disconnection of service due to non-payment of your account should you not receive a bill. If there is a discrepancy in your service address, CCUA billing staff will have to verify your correct address with the County before any change is made.

SJRWMD COST RECOVERY CHARGE:

The SJRWMD Cost Recovery Charge is a charge assessed to CCUA customers for their proportional share of funding participation in the St. Johns River Water Management District's (SJRWMD) Black Creek Water Resource Development Project in Keystone Heights (Black Creek Project). This charge will remain on customer bills for a period of 24 months.

Consumer Confidence reports are available at our office and website

<https://www.clayutility.org/ccr>

Please include any mailing address changes on a separate enclosure and return with your bill stub and payment or visit us at www.clayutility.org.

**All payments are automatically processed.
Noting changes on this bill stub will not ensure proper changes are made to your account.**

POWER OUTAGES:

Steps to follow:

- ▶ Check your fuses and breakers to ensure the problem is not within your electrical system.
- ▶ If the outage is not within your system, report it by calling 888-434-9844
- ▶ Always stay away from downed power lines.

DOWNLOAD OUR APP:

DEFINITIONS:

Access Charge: The Access Charge recovers some of the fixed costs that come directly from serving an individual member, regardless of how much electricity is used. These costs include the cost of the meter, wire and other equipment used to deliver electricity to the home or business, as well as meter reading technology and billing expenses. All utilities have some type of an access charge.

Power Cost Adjustment: The Power Cost Adjustment reflects the increases/decreases in the co-op's cost of power purchased wholesale from Seminole Electric Cooperative. The fluctuation in the Power Cost Adjustment is largely caused by changes in the cost of fuel for generation.

Operation Round Up: Operation Round Up is a program to generate and collect voluntary donations that are used to benefit organizations in Clay Electric's service area for the purpose of improving the quality of life of our members and their communities.

Federal Universal Service Fund

\$3.52

Additional information

Bill Adjustment: This bill includes a one-time courtesy programming adjustment for additional credits we received from regional sports networks in your area.

Universal Service Fund: The FCC modifies the rate that voice providers pay into the USF on a quarterly basis. USF is assessed on applicable voice services as the Federal Universal Service Fund at the FCC's approved rate. See:

fcc.gov/encyclopedia/contribution-factor-quarterly-filings-universal-service-fund-usf-management-support. A new rate becomes effective July 1, 2022.

The Regulatory Cost Recovery fee is neither government mandated nor a tax, but is assessed by Comcast to recover certain federal, state, and local regulatory costs.

Recent and Upcoming Programming Changes: Information on recent and upcoming programming changes can be found at xfinity.com/programmingchanges/ or by calling 866-216-8634.

Billing Rights Summary

If you think your bill is incorrect, or if you need more information about the details of your bill, please contact us at the number listed on the front of your bill or email.

We must hear from you no later than 60 days from the date of your bill on which the error occurred. Your bill shall be deemed correct unless disputed within 60 days from receipt.

Electronic Funds Transfer Notice

If you pay by check, it will be converted into an "Electronic Funds Transfer" (EFT), a process in which your financial institution is electronically instructed to transfer funds from your account to ours in lieu of processing the check. By sending your completed check to us, you authorize us to use the account information therein to create an EFT for the amount indicated on the check. If the EFT cannot be processed for technical or other reasons, you authorize us to process an image replacement document, draft, or copy of your check.

Late Fees & Service Fees

To avoid late fees and service interruptions, payments must be received by the due date except as may be otherwise provided by written contract. GFL Environmental reserves the right to charge service-related fees associated with but not limited to the following: setup fees, early termination fees, container return fees, etc.

Electronic Funds Transfer Notice

If you pay by check, it will be converted into an "Electronic Funds Transfer" (EFT), a process in which your financial institution is electronically instructed to transfer funds from your account to ours in lieu of processing the check. By sending your completed check to us, you authorize us to use the account information therein to create an EFT for the amount indicated on the check. If the EFT cannot be processed for technical or other reasons, you authorize us to process an image replacement document, draft, or copy of your check.

Cancellation Policy and Proration Policy

The customer must provide written notice of cancellation via certified mail at the address on the front of your bill. There will be no proration of billing and you will not be entitled to a refund if service is canceled during a billing cycle. You will remain responsible for all charges, fees and taxes through the end of the billing cycle (including the period between the notice of termination and the end of the current billing cycle). This provision will not apply if it is contrary to a current franchise agreement, municipal contract, or other written contract applicable to this account or is otherwise prohibited by law.

Insufficient Funds Notice

If your check is returned for insufficient or uncollected funds (NSF), your signature on your check gives us permission to debit your checking account electronically for the uncollected amount. Payment by check constitutes your acceptance of these terms. For each returned check a fee will be assessed on your next billing equal to the maximum amount permitted by state law.
